It never gets boring putting together an issue of Razzle Magazine, much like how the girls can't help but get dirtier month-by-month! So, who do we start with then? Morgan is the obvious choice, after all she did try to stick a large over-sized chess piece someplace where the sun doesn't shine during her photo shoot! Dani Maye is back with her usual bang and Honour May never fails to disappoint, whilst we're sure that Kimmy will be making you cum lots, we certainly did. We must apologise that there is a distinct lack of girl-on-girl action, but the single girls will more than make up for it!

# MORGAN

Fancy playing a game of chess with Morgan? Think again! "I'm a bit of a whizz when it comes to board games and chess is one of my favourites, so I'll be having you in checkmate or surrendering in no time. I must say, I'm getting rather distracted with these larger-than-life chess pieces though. I mean, I'm tempted to slip one up inside my pussy and really get myself off, but that might get me in trouble." Hmmmm, we're thinking a naked game of Twister might be a bit more suited to our intellect, plus we'd love to see all of the positions you'll be getting yourself in to!

## KNOBBIN' HOODS!

My husband Andy and I have often talked about having a threesome. I never thought it would happen until we met Danny.

It was a Wednesday evening about 9.30 when Andy asked me to go upstairs and put on some sexy undies so we could have some fun.

I said OK and went up to put on some black stockings and a black lace nightie.

As I was pulling on my last stocking I heard Andy talking to someone. I went quietly across the landing and looked down the stairs. There was Andy telling Danny that I had no idea what was going on.

At this point I was wet with excitement, knowing that I was going to have them both. I moved back to the bedroom and waited for them to come in. First my husband walked in and then Danny followed.

They both had huge bulges in their jeans, and wasted no time in stripping off. They lay either side of me, stroking my legs up to my very wet cunt. They sucked a nipple each and fingered my soaking wet cunt.

I was in heaven having two men fondling me, making me quiver with every touch. Dan was now sucking my clit and licking my juicy hole as I wanked his hard dick.

Andy moved up and I took his cock into my mouth. This was too much for me and, pulling away, I shouted for one of them to fuck me.

Danny had no problem with this and slid his cock into me and started to fuck me like mad. I lost count of the amount of orgasms I had, with my mouth and cunt full of cock.

Suddenly Dan tensed up and I felt his hot spunk shoot up inside me. As he pulled out Andy rolled me onto my knees and slipped his fat cock into me from behind.

Danny sat in front of me and I took his cock in my mouth, tasting his and my juices.

As I sucked Dan's cock Andy fucked me doggy style. I thought my body was going to burst as I came again and again.

He fucked me so hard that I couldn't keep Dan's cock in my mouth. Then with a groan Andy added his spunk to the load left in me by Danny.

This made me cum and I collapsed onto the bed, spunk dribbling out of my well-fucked cunt.

Thinking we'd finished, I rolled over and laid my head on the pillow. Then Danny shoved a couple of fingers into my cunt and Andy started to rub my clit.

They started off very slowly and got faster and faster, making me shake and cum. I was thrashing around on the bed totally out of control. My body was weak and I begged them to stop but they just got faster.

This finished me and I experienced a thunderous orgasm, which I won't forget for a while.

Later on that night I crept into the spare room where Danny was sleeping. His eyes were open and without a word I got his cock out.

I rubbed it hard and he sat on it and rode it like a jockey. He came after a couple of minutes because I was riding so hard.

I climbed off him, put my hand over my cunt and kissed him goodnight. Then I went back into the bedroom and sat on Andy's face.

I moved my hand and let Dan's cum trickle out of my cunt, mingling with my juices. He lapped greedily at my cunt, and I came even more. What a great end to a great evening!

We do like hanging out at a good strip club, so shooting Razzle Legend Dani Maye in one of our favourite haunts made perfect sense to us. Naked girls, beer on tap and more naked girls, what's there not to love about our job. It does remain to be seen if our 'business' expenses get given the all clear by the accounts department though, otherwise we might find ourselves a bit light in the pocket for the next few weeks!

## SO, DO YOU ENJOY LICKING OUT CUNT?

That Yes, and I have to agree with my boyfriend that smooth is best! Actually my first lesbian experience was with the girl who introduced me to pussy shaving. She was a friend of mine at college called Zoe. I was in her room one night talking about girly things – beauty products and how to pluck your eyebrows best and that kind of thing. She was telling me about the razor she used to shave her legs and told me it was perfect on other parts of the body as well, like her armpits and her pussy.

I felt a bit embarrassed talking about her cunt like that, but when she offered (with a totally straight face) to show me how to do it I agreed. I was curious about cunt shaving and also about Zoe. I knew she was bisexual and I did find her sexy and intriguing and a touch frightening with her bold sexuality.

So ten minutes later we were both sitting on the edge of the bath with nothing on. I knew by that time that this was going to turn into something more than a mere grooming session, and I was struggling to stop myself from trembling out of a mixture of fear and excitement. My pussy had already started leaking by the time Zoe started rubbing shaving cream on it.

She shaved her cunt and then took the razor and shaved me completely bald.

It was quite an incredible and epochal moment for me.

When she was done she rubbed it and said what a good job she'd done and what a pretty pussy I had. As her rubbing became more purposeful I just let her do what she wanted.

Realising I was being seduced by a lesbian was quite a horny thought on its own, never mind the delightful sensations being caused by Zoe's skilful finger work. I sat on the edge of the bath and she just fingered me till I came. It was one of the horniest experiences I had ever had.

Then she asked me if I would lick her cunt for her. I was eager to please her so when she bent over the sink and thrust her arse in the air I quickly knelt down behind her. I gazed at her smooth cunt and tentatively licked along the length of her slit. I was surprised and encouraged to hear her moan with pleasure straight away.

**I GAZED AT HER SMOOTH CUNT AND TENTATIVELY LICKED ALONG THE LENGTH OF HER SLIT,**

Desperate to return the favour she had done me, I enthusiastically licked and sucked her cunt hole and clit. She pushed her hips back so her pink pussy was right in my face. I just licked for all I was worth, and when she told me she was going to cum I redoubled my efforts. With a loud cry she thrust her cunt back into my face once more and her legs quivered as she came.

I will always remember kneeling between her legs licking the cum from her pussy.

It was a brilliant introduction to lesbian pleasures and I haven't looked back since!

*Gwenda, London*

## WHAT'S THE KINKIEST THING YOU HAVE DONE?

Probably having my letter printed in Escort and telling everyone all these rude secrets! My boyfriend likes taking pictures of me

# SESSIONS

**SUDDENLY MY BOY-FRIEND'S COCK TWITCHED AND HE FIRED WADS OF THICK SPUNK DOWN MY THROAT.**

outside and in public places. I must admit it is a real turn-on being naked where I shouldn't be, and the risk of getting caught gives us both an extra thrill.

These pictures were taken at a local beauty spot. There are often plenty of people there having picnics, sunbathing and walking so it is a favourite flashing spot of my boyfriend and I. I made sure I wore a short skirt and no bra so I could get my tits and bits out quickly.

We strolled around for a while first, checking out how many people were around and where the best place to take some photos would be. There were a few ramblers and a kite flyer, plus a group of people relaxing on a blanket with some beers.

My boyfriend decided we should head for a wooded area popular with ramblers.

My cunt was creaming up by the time he pulled his camera out. I leaned up against the tree and flashed my knickers at him. Then I pulled my top down and flopped my tits out.

As my bloke continued taking pictures I got increasingly carried away, touching myself and taking off more clothing. Before I knew it all my clothes were on the grass and I was frigging myself off. Knowing that at any moment someone could catch me at it made me all the more horny.

My boyfriend then put his camera back in his pocket and came over to me, scrambling to unbutton his trousers. I helped him get his cock out and started wanking it to full hardness. He shoved it in my mouth and started sliding it in and out. I cupped his balls and wanked his shaft while he dipped his solid cock down my throat.

I was furiously frigging my clit with one hand while the other teased his cock. I was secretly fantasising about someone catching us being filthy. If I looked past my bloke I could see the people on the blanket and a bloke walking his dog about 20 yards away.

Suddenly my boyfriend's cock twitched and he fired wads of thick spunk down my throat. I spat some out and rubbed it over my tits for my boyfriend to lick off. I was close to cumming so I kept frigging myself while my bloke slid two fingers inside my juicy hole and finger-fucked me.

My whole body shook as I had an intense orgasm. I always have the best orgasms when I am being rude and naughty outside – it really gets me gushing! My boyfriend pulled his sticky fingers out and fed them to me – yummy!

I put my clothes on and we went home to fuck and talk about what we'd done. I can't wait for the moment when we are caught in the act – I think I will cum on the spot!

*Josie, Ipswich*

## WHAT'S THE STRANGEST PLACE YOU'VE HAD SEX?

I used to live with my best mate Emily in a top floor flat with a roof balcony. In the summer we used to sit up there drinking before we went out, or just sunbathing and having barbecues.

I remember one occasion when we had a bit of a party after a night out. There were quite a few of us there – me, Emily, a couple of other girls and a couple of blokes we had brought home. My bloke was a dark-haired guy called Mike with a big cock. I knew this because I'd already sucked him off and swallowed his cum in the toilets of the pub where I pulled him.

It got quite cold on the roof so everyone went down into the flat. But I kept Mike up there. Pushing him up against the railings, I put my tongue down his throat and rubbed his cock up. The cold wind made my nipples hard and they jutted through my tight top invitingly.

Mike rolled my top up over my boobs and sucked on both of my nipples one after the other. He pulled my top over my head and I unbuttoned his shirt. Going down on my knees, I teasingly unbuckled his belt and undid his trousers.

His big cock was straining against his trousers and it sprung up when I pulled them down around his thighs. His boxers followed his trousers onto the floor and I started kissing his cock. When I closed my mouth over his big shiny helmet I could taste the salty cum from earlier on.

**I LEANED OVER THE RAILING AND STUCK OUT MY ARSE INVITINGLY.**

I sucked vigorously on his shaft and massaged his balls. His cock was growing in size and strength all the time as I feasted upon it. As he got more turned on, Mike started to hold the back of my head and shove his cock in and out of my throat. I took him as deep as I could while he fucked my mouth.

I didn't want him to cum because I wanted some cock up my cunt. Taking his cock out of my mouth, I got up and let my skirt drop to the floor. With only my lacy G-string on, I leaned over the railing and stuck my arse out invitingly. Mike took the hint, kneeling behind me and peeling my wet panties down.

Spreading my cheeks, he licked my smooth moist pussy. Moaning with

## SNOW PLOUGH!

My husband Jim and I were driving home one night after being at a fancy dress party. I couldn't wait to get him home so I could suck and fuck his lovely big cock.

It had been snowing all night and we ended up with the car stuck at the side of the road.

Before we began worrying a snow plough drew up alongside us and the driver offered to guide us the four miles home.

When we got home we were really grateful and asked the driver in for a cuppa. He was a good looking bloke of about fifty, and he readily agreed.

The wine had got me horny, so I decided I'd have this stranger's cock as well as my well as my husband's. Well why not?!

I'd been to the party in school uniform.

I took my coat off, revealing my stocking tops. My white shirt was almost fully unbuttoned and my black lacy bra was clearly visible.

Jim and me have had threesomes before, so he wasn't surprised when I went over to the driver and sat on his knee.

His hand was on my cunt in a flash and I reached down to pull his knob out. I thought Jim's cock was big, but this thing looked like a porn star's cock.

I uncoiled it from his trousers and then pulled his trousers off. I got onto my knees in front of him and fed his giant into my mouth.

As I sucked this stranger off, I felt my skirt being lifted from behind. I felt my pants being slipped off and two fingers probing my moist slit.

The cock in my mouth was fully hard and fucking massive. I tried gamely to fit it into my mouth, stretching wide and covering his bell-end in spit.

Jim was now fingering my cunt with three fingers, preparing it for his big cock.

Guiding himself with one finger, he forced his helmet just inside my pussy.

This made me suck off the stranger with renewed vigour, and he groaned as I worked his shaft. Jim began pumping his tool deep inside me.

I felt really dirty getting fucked from both ends by a pair of massive cocks.

They both spunked up me at the same time till I was awash with sperm. The driver stayed over so I had two hard cocks for company all night!

*Angela, Fife*

## FLAMING HOT!!!

While out shopping one afternoon with my husband John, we met an old friend who we had not seen for a few years. After chatting for a bit John told Steve to pop over for a drink sometime.

Later as I was unpacking the shopping there was a knock at the door. It was Steve calling for that promised drink. As I was organising the drinks I overheard Steve telling John that he was now divorced and didn't have a girlfriend.

I've got quite a dirty mind, and the news that Steve was now single immediately got me thinking about the possibilities the evening might hold.

I had always fancied Steve and wondered what it would be like to have him lick my pussy. I decided I would just have to find out, as the thought of it was getting me really turned on.

When I returned to the room with their drinks John noticed a rip in my stocking and said I should change them. I returned moments later to find John showing Steve his video collection. I bent over in front of Steve to pick a video up. He noticed I had no knickers on and whispered to John that he would love to see more of my pussy.

I turned around and slowly lifted up my skirt so he could get a better view. John nodded in approval and Steve wasted no time. He pulled me towards him and buried his face in my pussy and eagerly licked my clit.

He worked his tongue expertly around my pussy. He nibbled at my cunt lips and lapped at my clit, sending waves of pleasure through my body. He'd obviously licked a few cunts in his time because he was brilliant at it – God knows why his wife left him.

Soon his fingers had found my by now dripping wet cunt and he slipped two fingers inside. I reached down, unzipped his trousers and took out his already hard cock.

His cock was of a healthy size, and I wanted to repay him for giving my cunt such a good licking. I stroked it sensuously up and down before taking a firm grip of it.

Then I wanked him at a good pace, making him groan with pleasure.

By now John was standing beside me with his hard cock in his hand. I reached over and took it in mine. I played with John and Steve's cocks for a few minutes and then asked John to put it in my mouth. I needed to suck him while Steve fucked my dripping pussy.

The lads made me lie on the floor so Steve could get his cock where he wanted it and John could see me getting fucked while I sucked him off.

I was in absolute heaven. I slurped my husband's cock while Steve pounded in and out of my aching pussy.

I had always wanted to be licked, fingered and fucked by two blokes. I was getting so turned on and horny by the proper fucking I was getting that I knew I wouldn't be able to hold back much longer.

Steve must have been feeling the same because the next minute I felt his body stiffen as he pumped my pussy full of hot sticky spunk. Steve and John changed places and I got on all fours as I licked my cunt juice and Steve's spunk from his shaft.

John hammered my spunk filled cunt till I couldn't hold back any longer. As I climaxed John filled my pussy with a lot more spunk.

By this time I was well and truly fucked but the lads insisted I lick their cocks and balls clean.

Now Steve is a regular visitor and pops in for a quickie at least once a week. I'm always happy to have him!

We love a good imaginative stage name, and 'Kimmy Cumlots' is right up there with the best of them! "It's a nickname that I've been given from my many lovers. Is living next door to a porn star like living in a bad joke? "Hey, mate, how did your date go last night?" "Ah, only got to first base." "Well, at least you got your arsehole licked!" Or is it actually the best fun ever? "You'd have to ask my neighbours!" laughs self-styled ultimate MILF Leigh from Manchester. "They're just as dirty as me, you know. pleasure, I shoved my arse in his face and he ate me out with plenty of enthusiasm, just the way I like it. I was horny as fuck and crying out for cock. Sensing this, Mike lined his boner up and slid it inside my cunt form behind. I bit my lip and braced myself as he started to ram his cock right up me, right back out and right back in again.

I had a lovely view as Mike ran me through. I was looking down on the streets and lights of my town while I had a big fat cock plunging in and out of my cunt in the dark – quite strange really.

Mike's heavy balls slapped against my thighs and his hands gripped my hips as he pumped away, making my bum wobble and my tits bounce around. As I was about to cum I frigged my clit, sending me to a rapturous orgasm.

Mike was close on my heels, allowing me to finish my orgasm before he spun me round and started wanking in my face. I opened my mouth to catch the first warm jet of creamy cum. The rest streaked my tits and face so I rubbed some in and licked my fingers clean.

That was definitely the weirdest place I've had sex, and one of the best.

## HAVE YOU EVER HAD A LESBIAN EXPERIENCE

The first lesbian experience I ever had was a threesome with Emily and some stud we picked up at a nightclub. His name escapes me, to be honest, but he was a damn good fuck.

Emily and I were out clubbing and we were both trying to pull him. Realising he was onto a sure thing with two randy drunk tarts, he told us he would go home with both of us. Before I could say anything, Emily was bundling us both towards the exit.

In the cab home, the bloke sat us next to each other and told us to kiss. I was a bit hesitant (but secretly raring to give it a go) but Emily put her arms around me and kissed me, delving inside my mouth with her tongue. My first lesbian kiss was a revelation, and soon I was kissing her back wholeheartedly.

By the time we were home I was lusting for Emily. This wasn't her first time with a girl, I realised, as she took off my top and bra in one deft movement.

The bloke just was sitting on the sofa watching Emily undress me. She ran her tongue over an erect nipple, making me shiver like a shitting dog all over. She encouraged me to take her clothes off too.

At this point the bloke suggested we go upstairs. In the bedroom he stripped off and lay on the bed slowly tugging his big cock. He told us to get naked, which we did. Then he told me to bend over and suck his dick. He had a long thick cock, which I couldn't wait to get my mouth round.

As I was bent over gobbling his pole, I heard him giving Emily instructions. For an instant I felt Emily's hot breath against my bald cunt, then I felt her tongue gently lapping at my cunt lips. She took my puffy lips in her mouth and sucked them. Then she held me open with her fingers while her tongue ploughed the length of my creamy slit.

Sandwiched between an eager beaverlicking bitch and a well-hung stud, I had the horn like never before. When Emily started rubbing my clit with her fingertip as she licked me out it was enough to drive me to a juicy climax. Then it was time for some cock.

Emily lay on the bed with her legs spread and I was on all fours with my face in her cunt. Meanwhile, our stud was easing his powerful cock inside me inch by inch.

Although I was a beginner, I was eager to please Emily and I was desperate for my first taste of pussy. So with a big cock pounding into me from behind I took my first ever mouthful of wet pussy.

Emily guided my tongue with her finger, telling me when I had found a sensitive spot. I was thrilled when I made her cum after only a short time. As she relaxed I tasted her sweet juices and since that

moment I have been a pussy fanatic.

After he'd fucked me to an orgasm, the bloke then got Emily and I into a 69 position. He let us get each other excited before he positioned himself behind Emily, who was on top of me. I watched as he prepared Emily's arsehole with a juicesmeared finger. Then, as I licked Emily out, I watched her arse gradually being filled with hard cock.

As the guy reamed Emily's arse, I licked his balls whenever they swung into range.

When he finally pulled out he spunked all over Emily's cunt and told me to lick the spunk off.

I don't know what the bloke had taken, but he managed to keep it up all night. He fucked Emily and me all over the place, and there was plenty more lezzie action as well – what a night!

## WHAT DID YOU GET UP TO LAST SUMMER?

Being a student, I had the whole summer time off. Did I spend the time studying for next year or working off some of my debts? Did I fuck, I went on holiday with my mates and had a wild time. You're only young once!

Four of us went to Magaluf for two weeks. My liver is still recovering form all the drinking and my pussy is still recovering from all the fucking. I got my first portion on our very first night out. We arrived in the afternoon and just chucked our bags in our rooms, showered, got tarted up and went out.

All the bars were packed and there were definitely more blokes than women, which suited us fine. There was no shortage of men chatting us up and buying us drinks.

I was horny and gagging for it, so I waited for a half-decent looking bloke to crack on to me and jumped on him.

He was quite short and he had a ridiculous Hawaiian shirt on, but he had a cheeky grin and a good chat up line.

As he stood leaning back against the bar I pressed my body into him. I only had a skimpy dress on and my boobs were bulging out. I could feel his cock getting harder as I pressed my thigh against his crotch.

I started kissing him, pulling him close so he could feel the warmth of my cunt through my dress. His cock was soon rock hard against my leg. I slid a hand down inside his jeans and rubbed his dick and balls. He had his hand up my dress and was grabbing my arse, probably letting everyone see my backside in the process.

My cunt was creaming up and I was desperate to feel that hard cock of his inside me. I told him exactly that. He led me out of the bar and we found a secluded-ish place down the side of a shop. He slipped his hand inside my dress and rubbed my hot cunt through my G-string. His fingers were beginning to excite me and I knew it wouldn't take much to get me cumming.

I opened my legs and he slid two fingers inside my knickers. He ran them up and down the length of my slippery, freshly shaved pussy. Parting my lips, he gently worked his fingers inside my welcoming hole. I so wet he was able to slide them both in up to the knuckles. He pulled them bout and jammed them back in, giving me a good finger fucking.

I told him he was making me cum and he frigged me even faster. When he started rubbing my hard clit with his thumb I just came all over his hand. I took his hand and licked his fingers clean of my juice, smacking my lips and winking at him.

I then kneeled in front of him and pulled his jeans and boxers down around his ankles. His rigid cock stood out proudly. I pulled his foreskin back and started licking his helmet and rubbing his nuts. I slurped my tongue up and down his shaft before taking his full length down my throat. When I had his cock wet and willing I stood up and took my G-string off.

I got on my hands and knees in front of him, throwing my dress up over my back and inviting him to fuck me from behind. He wasted no time lining his cock up and driving it inside my dripping cunt. He took a firm hold of my hips and slammed his cock inside me hard, fast and deep. I was biting my lip trying not to make too much noise, but loud moans and gasps were still escaping.

We were only really hidden from the street by a rickety wooden gate and a bit of foliage, so I could see people walking past where we were. This was a surprising turn-on, actually, knowing people were close by and probably knew and could see what we were doing.

I reached down between my legs to fiddle with my clit while I took it from behind, and soon I came a second time. The guy wasn't far behind me, pulling his cock out and spraying spunk all over the floor.

He told me afterwards he hadn't wanted to ruin my dress, and I told him it was a waste of good spunk and I would gladly have swallowed it.

We made ourselves decent after that and went back into the bar. He went off to join his mates and I met up with the girls, who all called me a dirty slapper as usual.

Which is true!

Clara likes to swap between the all-natural look and being cleanly shaved, and on this special occasion she's decided to present herself bare back. "I like to keep myself tidy and sometimes I like to grow it all out, but today I think your readers would be more than happy to see my bare puffy pink lips with no interruptions?" We're not going to argue with that!

## KENNY LOG-IN!

On a recent trip to Amsterdam my husband Kenny and I went to a sex show. I expected it to be a bit seedy, but I was pleasantly surprised by the plush interior. As we enjoyed a good view of two babes fucking each other with a double-ended dildo, I couldn't help noticing the strikingly attractive German couple next to us.

As the show went on I got very turned on, and I was desperate for a frig. I saw that the German guy next to me was less prudish - he had his big thick cock out and was slowly wanking it.

We exchanged glances, and I gave in to my desire. I leaned over and licked the tip of his cock, which had pre-cum oozing out.

I had to open my mouth wide to ease my lips over his massive cock. I began to move my mouth up and down his shaft, making the tip hit the back of my throat.

After sucking his cock for a few minutes, I felt my dress being lifted from behind. An equally massive cock nudged at my cunt lips before being rammed in as far as it would go.

When the massive weapon drove into me, I was forced to take the cock in my mouth even deeper. I glanced around to see that it was Kenny who was reaming me from behind.

As he fucked me, he had three fingers up the German girl's cunt and was fingering her hard.

I had a shuddering orgasm which triggered the blokes off. I received a dose of thick creamy spunk at both ends. I got so much in my mouth that I had to swallow three times to get it all down.

I would now like to hear from any women who want to try some female action.

Maybe I can fulfil Kenny's dream of having two girls at once!

Hazel, Teesside

### JASMINE JAE - NO HOLES BARRED

**Starring: Darwin Slimpoke, Filthy Rich, Isiah Maxwell, Jake Jace, Jasmine Jae, John Strong, Jonni Darkko, Jovan Jordan, Juelz Ventura, Ryan Ryder and Markus Dupree. - EVIL ANGEL**

"Every so often, director Jonni Darkko singles out a favourite female performer for a hardcore showcase of her perverse talents. 'Jasmine Jae No Holes Barred' presents the titular British brick house in all of her glamorous MILF glory taking on gangs of huge cocks in every combination, and using her righteous butt and enormous, round knockers to full advantage. Seven men fill her mouth with whipped cream, thick lube and dick in a relentless face fuck, leaving Jasmine a wet mess. She joins fellow bikini babe Juelz Ventura for a nasty foursome of ass fucking and double anal penetration with well-hung Markus Dupree and Ryan Ryder. Both sluts end up slathered in spit and cum. Moe 'The Monster' Johnson and Slimpoke sodomise Ms Jae with big black cocks; they scoop out a pussy creampie and feed her the goop! Jonni and Ryan add their loads to her face. Markus, Moe, John Strong and Jovan Jordan team up on Jasmine for double penetration and a blow bang. The nasty whore swallows surplus sperm. Darkko stuffs a lot of action into four hours, and into Jasmine!"
